

## **GIAN invites application for various positions**

GIAN (Gujarat Grassroots Innovations Augmentation Network) set up with the active involvement of Government of Gujarat (GoG), Indian Institute of Management (IIM), Ahmedabad and Honeybee Network as a reliable and robust model for incubating innovations from, and for grassroots. More than hundred Innovation based enterprises have been supported so far. It was conferred the National Award for Best Technology Business Incubation by the then President of India Shri A.P.J Abdul Kalam for the year 2003 jointly with IIT Madras by the National Science & Technology Entrepreneurship Development Board (NSTEDB), DST, GOI.

GIAN is the first incubator of its kind in the country, which caters to the incubation requirement of/at grassroots since 1997. It links the golden triangle of innovation, investment, and social and/or economic enterprise. GIAN is involved in scouting, screening, prioritizing, value addition, Intellectual property protection, technology commercialization and enterprise development. For more information, visit [www.gian.org](http://www.gian.org)
